Summary

I am very logical and organized with a strong foundation in software engineering. Proficient in Javascript, DSA, CSS, and HTML. Seeking to raise coding KPIs by providing error - free codes. Excellent teamwork, interpersonal and communication skills. Looking to start a career as an entry-level professional with a reputed IT company.

Experience

Mcdonald's India Pvt. Ltd.

Mcdonald's India Pvt. Ltd. Varanasi   March 2017 - Feb 2022

- Successfully served as a Crew Trainer at Mcdonald's MNC, demonstrating exceptional leadership skills while overseeing daily operations and training new hires. Adept at fostering a positive work environment, I was instrumental in promoting teamwork and encouraging all employees to reach their full potential. With 5 years of experience in fast-paced environments, I am highly skilled in managing a team and making quick decisions.
